

# Setting the Dressage Standards

Welcome to Dressage at Hickstead. Hickstead's dressage event has been voted among the top three in Europe in the latest L'Anne Hippique poll of outdoor shows, behind only Rotterdam and Aachen. This is all the more remarkable when you remember that the other two have permanent showground venues. The Dressage at Hickstead team take great pride in providing a friendly and professional venue for spectators and riders alike. For 2010 we are continuing the standards set last year - and what standards they were. Moorlands Totillas and Edward Gal set a new world record Kur score and then, using the experience of Hickstead, went on to the European Championships at Windsor and then to Olympia to break their own record. Britain's Laura Bechtolsheimer rose to the occasion at Hickstead to set a new personal best. With support from Moorlands Investments we follow last year's introduction of the Exquis World

Dressage Masters Championship.

Once again it will be attracting top class competitors and you can be there in 2010 to see if more records can be broken.

There is something for everyone.

- Experience our world class dressage competition
- Watch the contest of grace and elegance in our beautiful surroundings
- Enjoy some personal grazing among the tradestands
- Listen to the experts as they provide their informed and perceptive radio commentary
- And if you feel so inclined you can pop over to watch the international showjumping, just a short stroll away

Visit us at the Hickstead Dressage Showground and be part of the UK's Premier Dressage venue. Join us in setting the standards.

We look forward to seeing you in 2010. You can also visit our web site [Hicksteadaddressage.com](http://Hicksteadaddressage.com) and watch live TV coverage during the show. A little something for everyone at Dressage at Hickstead!

- World class dressage competition
- A memorable day out in beautiful surroundings
- Quality & varied tradestands offering temptation for all shoppers
- International showjumping just a short stroll away
- Radio Commentary from top professional dressage riders and trainers
